Dear Stephen / Paul,

**Notification of Price Increase**

Brett Landscaping & Building Products have managed to absorb all the cost increases that we have faced for well over 2 years and we believe that we have done everything possible to support our customers in a very challenging market.

Given the continued pressures from cost increases in labour, logistics, raw materials and energy we have had to take the decision to increase our prices to you.

From the 14<sup>th</sup> April 2025 I can confirm that our prices to you will rise by 4.2% with exception of Natural Stone and Porcelain that are reviewed monthly and will be communicated separately. The price rise will be applied to stock and direct to site business and all price lists will be updated to reflect this.

I can assure you that we will do everything possible to mitigate any future cost increases. Thank you for your help and co-operation in the implementation of these price changes and I would like to thank you for your ongoing support.

Yours sincerely
